

Virtual Game Night!!!

Hosted by Kyra Sylvain and Rachel Wall

We are so excited to host this game night! We are hosting this so that families within the RSU5 community can come together and have fun as well as donate to a great cause! Konbit Sante is a nonprofit organization that helps people in Haiti gain access to health supplies and health care!

Join us on May 25th at 6 p.m. for a chance to play fun games, win prizes, and raise money for a great cause!

Game night will be held on Google Meet.

How do you gain access to game night? All you have to do is donate! After you donate, show us through the Google form below, and we will send you the link!
